Bonica

Romantica Roses from Meiland of France, Griffith Buck Rose, and English Legend Roses By Harkness of England are organizations that have developed and continue to develop roses grown on their own roots. They are known as own-root roses. Own-root roses are rapidly gaining popularity because they have greater winter hardiness and are less apt to have viruses due to grafting and no suckering. For varietal choice and availability, check current rose catalogs. Inland Northwest catalogs include:

Northland Rosarium
9405 S. Williams Lane
Spokane, WA 99224
(509) 448-4988
